Miss Vada Horsch
Conference of National Organizations
2 East 48th Street
New York 17, New York

Dear Miss Horsch:

In response to your letter of 3 January, I am happy to accept your invitation to speak at the Conference on the evening of 4 March in Atlantic City.

I believe that a general presentation on the situation in the Soviet Bloc with emphasis on the industrial and economic pictures would be of greatest common interest to the representatives attending. The talk might appropriately be billed as "Recent Developments and Trends in the Communist Bloc."

Mrs. Amory would be delighted to accompany me and our present plans are to drive up on Sunday in time for your reception and to leave early Tuesday, as I have to be in Washington for a mid-morning meeting.

I consider it an honor to address your group and look forward to the stimulation of the other Meetings..

Sincerely,

Robert Amory, Jr.
